CARIBBEAN CRUISES

Autumn/Winter 2011

COME ON IN, THE WATER'S LOVELY

No one knows the Caribbean better than we do. (It is our middle name, after all.) And for stunning golden beaches and dazzling azure waters, you really can't do much better. There are so many exciting, fascinating, or just simply relaxing things to do on our cruise holidays, it makes our heads spin just thinking about it. So if you've never been there, ask yourself: why not? Go mountain biking in the rainforest. Climb the Mayan pyramids in Cozumel. Discover another world beneath the waves. Chill out on unspoiled white-sand beaches. Why not indeed. All this—and more—is right here waiting for you, on a Royal Caribbean International cruise.

Here we've selected a few of our favourite cruises, but you can find the full range of itineraries on our website; all available on a wide variety of dates throughout 2011.
